PARCC

Partnership for Assessment of
Readiness for College and Careers

Do your students know about GRAPHICAL GAP MATCH?

Online testing with **PARCC** will most likely include questions which require **GRAPHICAL GAP MATCH**. With **GRAPHICAL GAP MATCH** questions, the student has to use the cursor to drag one image to another image to answer the question.

Here is an example of a **GRAPHICAL GAP MATCH**-type question:

Directions: Drag each factor to the correct box:

A number of factors existing within an ecosystem are listed in the word bank table below. Some of these factors are <u>biotic,</u> and some are <u>abiotic</u>. Click and drag each factor to the correct category.

water	mushrooms	mice	sunlight
soil	wind	bacteria	grass

ABIOTIC	BIOTIC

Submit   Reset

In this example, the student would click on one of the words in the word bank table above and drag it to the correct box below, the hit **SUBMIT** to enter their response.

The student who responded as shown below would have answered the question correctly.

ABIOTIC
water
soil
sunlight
wind

BIOTIC
mushrooms
mice
bacteria
grass

Help your students prepare for PARCC testing. Show them this example of a GRAPHICAL GAP MATCH question. For questions about PARCC and to view more sample questions, visit: http://www.parcconline.org.
